

TR3 Profiler Option

30-Day Money Back Guarantee

Absolute Innovations, Inc. guarantees complete satisfaction of your TR3 Profiler option purchase. Anyone purchasing a new TR3 Profiler Option from Absolute Innovations, Inc. has 30 days from date of delivery to notify the manufacturer of discontent for a 100% refund of the purchase price and shipping cost. Absolute Innovations, Inc. will then arrange for a shipping company to pick up the TR3 Profiler option and return it to the manufacturer at the customer's expense.

This is a money back guarantee and not a 30-day trial; therefore payment must be made prior to shipment of the product.
